

## WPA Online Educational Webinar Series

### WPA Webinar on Spirituality, Religion, Psychiatry and Wellness

#### Hosted by WPA Section on Religion, Spirituality and Psychiatry (SRSP)

*Wednesday 5th July 2023, 2 PM CEST // 12 noon UTC/GMT // 5.30 pm IST : Duration 120 minutes*

#### Organised By

**Dr Afzal Javed**  
President  
World Psychiatric Association

**Dr Roger Ng**  
Interim Secretary General  
World Psychiatric Association

#### Learning objectives:

**By the end of this webinar, participants will be expected to be able to:**

- 1) Appreciate the relevance of spirituality/religion (S/R) to psychiatry, psychopathology, mental health and wellness - across diverse settings worldwide
- 2) Describe some key professional and ethical guidelines on S/R in psychiatric practice
- 3) Understand some research literatures on the intersections between S/R and mental health - including potential benefits and harms
- 4) Develop knowledge and skills in addressing S/R issues in clinical psychiatric practice
- 5) Understand educational/training issues in S/R for psychiatric professionals and trainees
- 6) Appreciate how collaborations between mental health professionals and S/R communities may enhance mental health care.

Chairperson  
**Dr Afzal Javed**  
President  
World Psychiatric Association

Moderator  
**Dr Rajashree Ray**  
(Executive Committee
